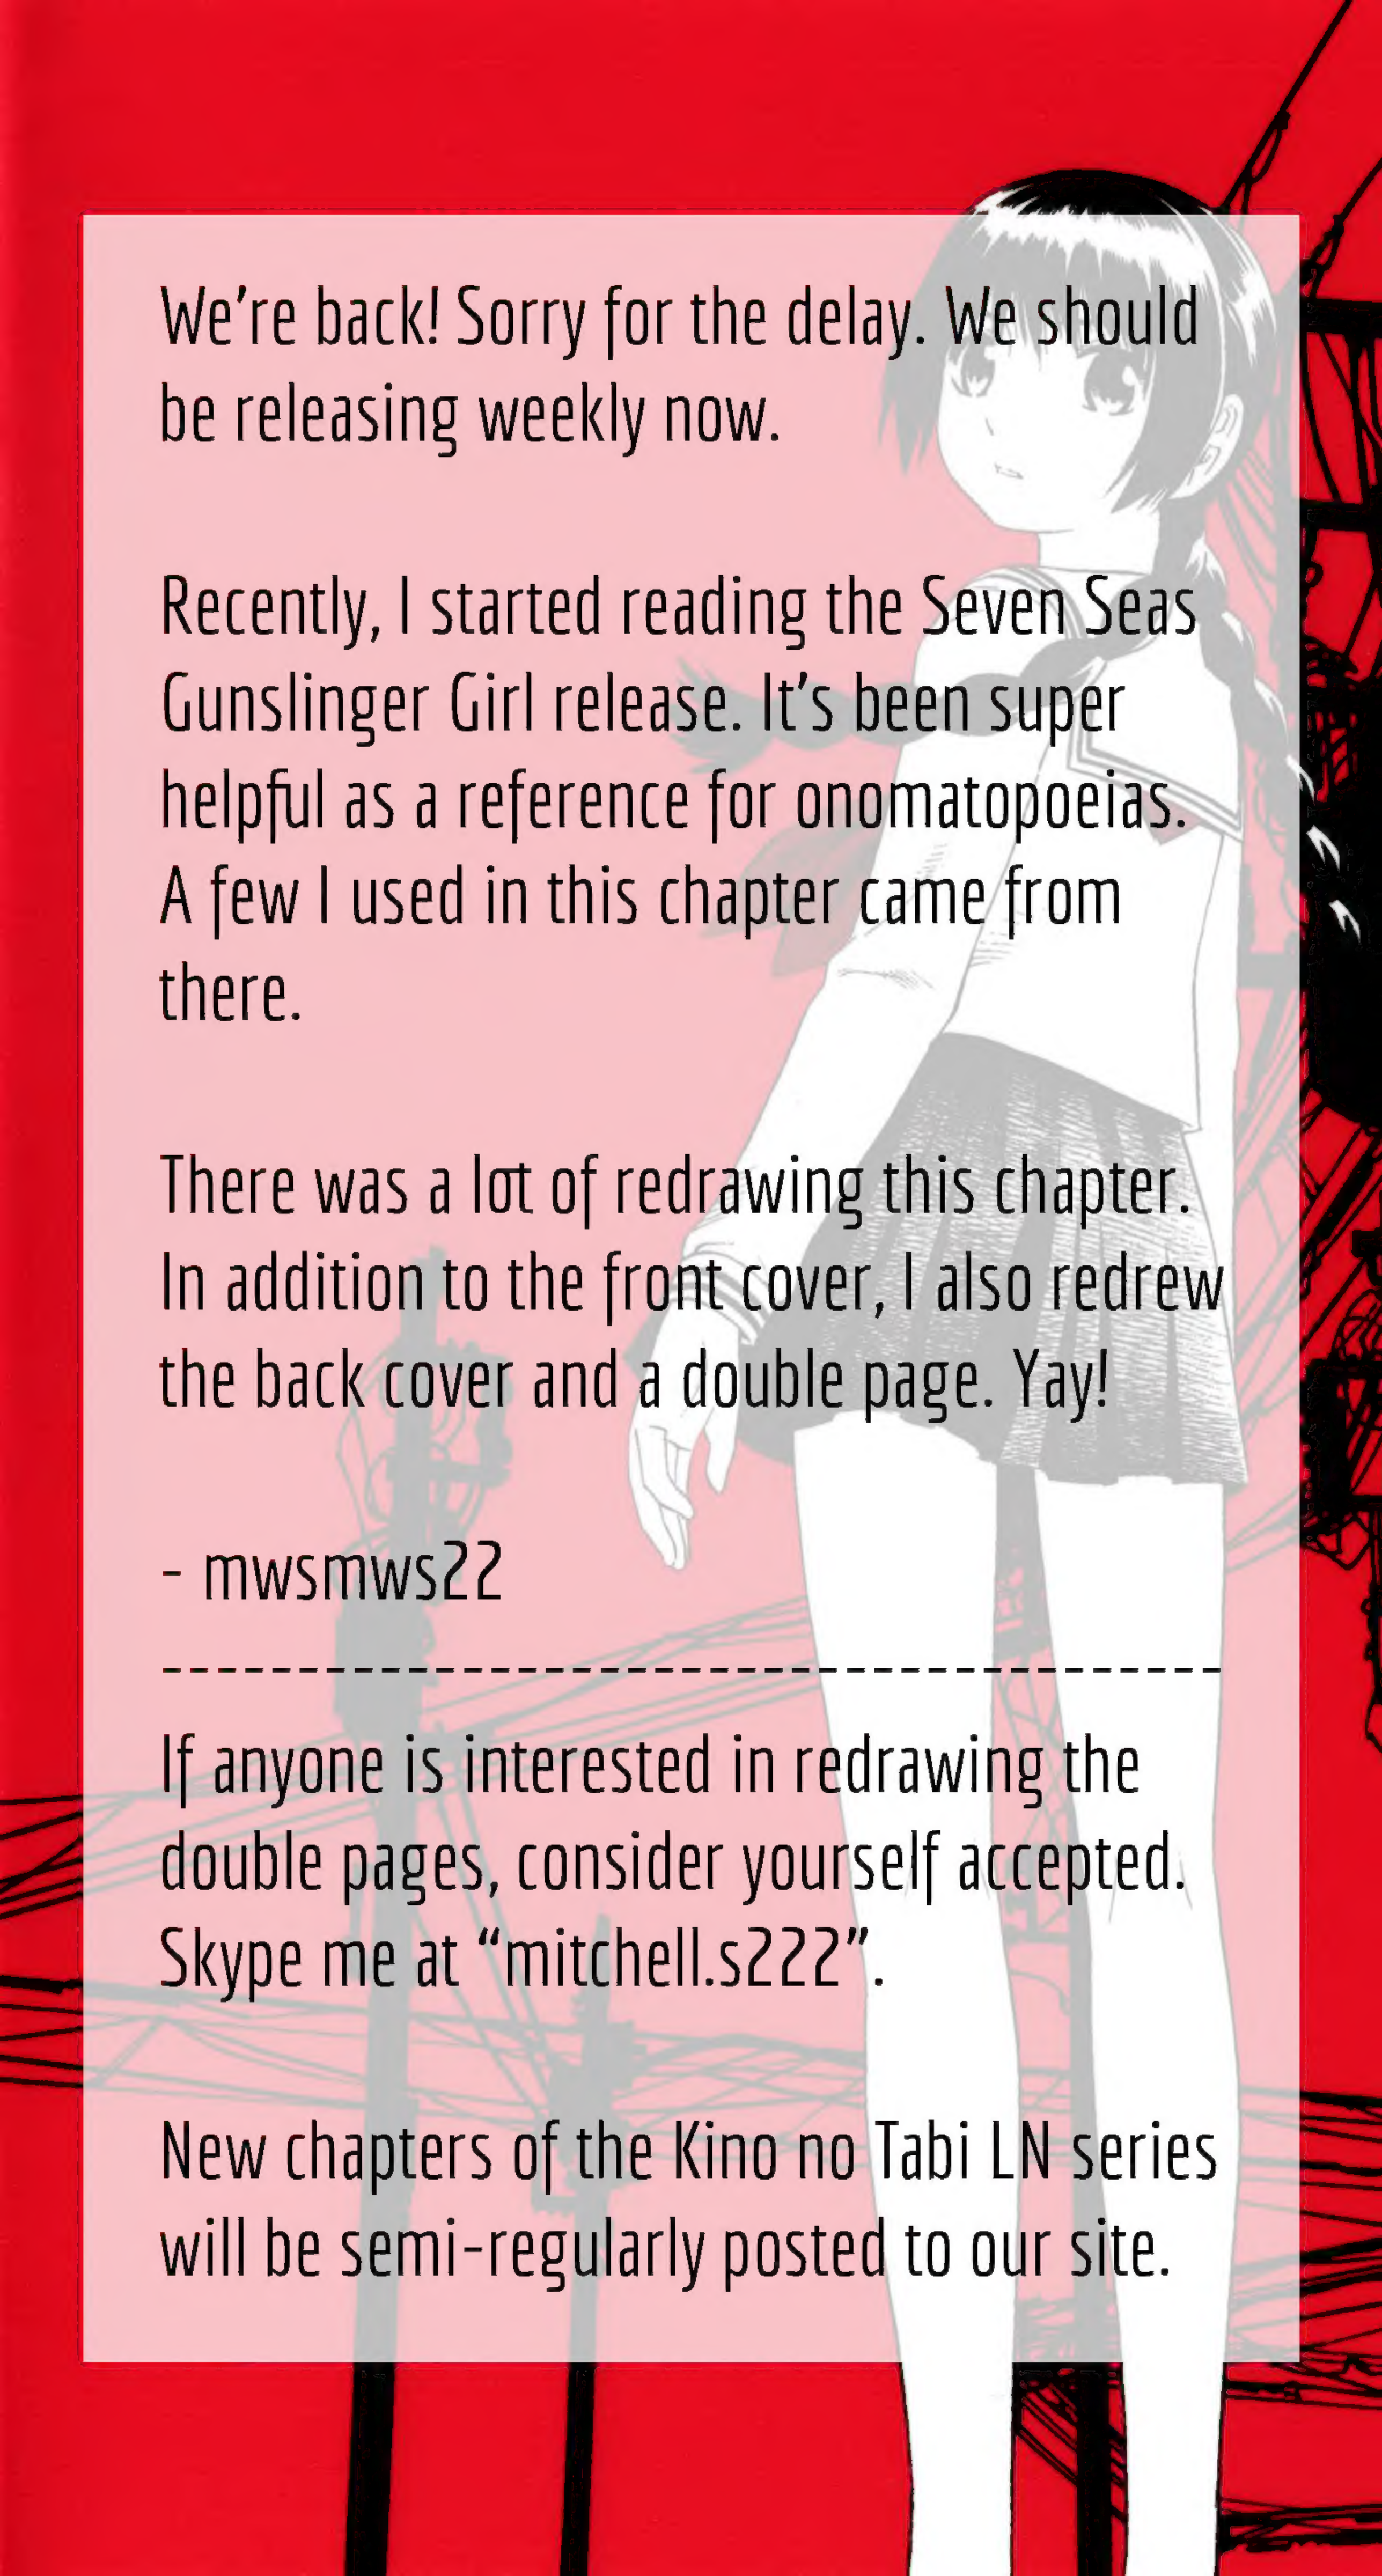
死後第12節　おわり



We're back! Sorry for the delay. We should be releasing weekly now.

Recently, I started reading the Seven Seas Gunslinger Girl release. It's been super helpful as a reference for onomatopoeias. A few I used in this chapter came from there.

There was a lot of redrawing this chapter. In addition to the front cover, I also redrew the back cover and a double page. Yay!

- mwsmws22

If anyone is interested in redrawing the double pages, consider yourself accepted. Skype me at "mitchell.s222".

New chapters of the Kino no Tabi LN series will be semi-regularly posted to our site.
